

Kidde Dual Spectrum

28 November 2005

To whom it may concern

SUPPLY & SUPPORT OF KDS EQUIPMENT FOR NAVY APPLICATIONS IN ITALY

This is to confirm that Kidde Dual Spectrum has appointed Martec Spa, based in Vignate (Milan), Italy at 20060 Via dell'Industria 1, as the only qualified source and service center in Italy for the supply and maintenance of the following products:

Description	Part Number	NSN	US Patents
Sensor, PM-3C	50602-1	6350-01-461-5253	3,931,521; 4,296,324; 4,647,776
Control Electronics CEA	50811	5996-01-423-8267	3,825,754
Valve	283281-0009	4810-15-U22-4659	4,579,315

This appointment is valid for any upgrades or experimental test series using the above patented hardware that results in a new fire/explosion suppression agent for naval applications.
